HOT TUB AND GAZEBO HIRE

HOT TUB HIRE

How fantastic you've chosen the hot tub option and you will NOT be disappointed. This option adds four or seven nights of pure relaxation and luxury into your home. Add the gazebo for some extra privacy and we suggest you decorate to add a backdrop for your party or perhaps just with some of your own fairy lights to add that extra special touch.

As you will see from our party selection page, you can hire the hot tub with/without the gazebo for either 4 nights or 7 nights.

Your hire starts from the day your hot tub is delivered. Please allow time for the hot tub to reach adequate temperature. A socket will be required to heat up the hot tub and a hose pipe to fill it with water.

We need to ensure that we deliver and collect these items on time and so we confirm below the dates and times we have agreed with you.

HOT TUB REMOVAL - OUR SPECIAL REQUEST

As you may know, it takes some time to empty the hot tub, so please can you make sure that the hot tub is emptied the night before the date of pickup above. Failure to comply with this request will unfortunately incur a £25.00 nightly charge with a new collection date.

HOW TO EMPTY YOUR HOT TUB

To empty the hot tub you need to unscrew the filter inside the hot tub, and remove the outer unit.

Remove the filter and then disconnect the pump, fitting in the stopper valves for protection and preventing the water pouring straight out.

Once disconnected you can then connect a hose to the hot tub and drain the water out by removing the drain stopper valve. This method will drain the majority of water from the spa, however some may still remain at the bottom. This can be emptied using a plastic bowl.

If you should have any issues with your hot tub I have left instructions in your box which you can refer to alternatively please call Nicola on 07702649011.

If you get the error code E02 this means your filter needs cleaning, unscrew the fitter inside the hot tub and rinse through. Alternatively there is a spare filter in your box.

With regards the gazebo hire, we ask you read and sign the follows :

I _____ understand that the gazebo provided by Hermione Rose is a temporary outdoor structure and should not be left standing during acute weather conditions such as heavy rain and strong winds.
